SUBJECT: Medicaid Documentation Training and Overview of the Children's Behavioral Health Services Provider Manual.

The South Carolina Department of Health and Human Services (SCDHHS) is offering training to Medicaid-enrolled providers of residential Therapeutic Behavioral Services and Sexual Offender Treatment Services (formerly Moderate Management Rehabilitative Services, High Management Rehabilitative Services, Supervised Independent Living and Specialized Treatment Services for Sexual Offenders). The agenda will include a review of the contents of the new manual pertaining to residential services, highlights of changes to the manual, and Medicaid documentation training.

Two training dates are available: **Tuesday, August 1st from 10:00 a.m. to 4:30 p.m., and Friday, August 11th from 10:00 a.m. to 4:30 p.m.** Both sessions will be held in Columbia, at Blue Cross Blue Shield on Percival Road (directions will be provided in the confirmation packet). Enrollment is limited, so please register as early as possible. **To register, visit the South Carolina Medicaid Provider Outreach web site, www.scm Medicaid provider.org or call Provider Outreach at 1-888-289-0709.** Any updates to the training schedule will be posted to the Provider Outreach web site.

We encourage you to bring a copy of the new manual to your training session. You may print a copy of the manual from the SCDHHS web site (**www.scdhhs.gov**). Should you wish to order a printed copy of your provider manual, please call (803) 264-9609. There is a charge for the printed copy based on the actual costs of printing, shipping and handling.

Prior to the training, you may submit questions pertaining to either the manual or documentation requirements, to ensure they are addressed. Please email your questions to Elizabeth Corbett, Program Manager for Group Homes, at **CORBETTE@scdhhs.gov**.

Questions regarding this training should be directed to Ms. Elizabeth Corbett, Program Representative, at (803) 898-2819. Thank you for your continued support of the South Carolina Medicaid Program.
